THE NORFOLK MILITARY VEHICLE GROUP

The NMVG was formed in 1977 by a group of enthusiasts interested in restoring and exhibiting all ages and types of military vehicles. The purpose of the Group therefore is to bring together all persons in Norfolk and adjoining counties with an interest in military vehicles and to support one another in the restoration, preservation and exhibition of these vehicles at local, national and international events.

Membership is open to all, irrespective of whether or not a military vehicle is owned, with the annual subscription currently £15.00 per year. Meetings are held at 8.00 pm every first Thursday of the month at Easton Sports & Conference Centre, Easton College, Easton, Norwich NR9 5DU.

If you are interested in joining the military preservation movement please fill in the application form below and either bring it along to the next meeting or post it to the Membership Secretary as shown below.
